Company Overview

With reference to the above, I would like to introduce our company/organisation Ayan Enterprises, Patna, Bihar which was incorporated in the year 2016. The company has travel a journey of nearly six years and has distinguishing remarks in the area of Software and accreditation of various Universities and Colleges of the Bihar and others states. As we are aware that accreditation of Universities and Colleges from NAAC is mandatory and it is the need of the hour to required financial assistant from UGC, RUSA and state Govt. In addition to Accreditation from NAAC of deferent colleges and universities of the Bihar we are also providing technical supports to the institution as we are working in the area of ICT for last six years. We have reputed goodwill in the area of accreditation from NAAC and IT sector. Several universities and colleges have got better accreditation from the NAAC & taking advantage of financial Assistant from UGC, RUSA and State Govt., where our company has provided services. the list of the colleges and universities where our company has rendered services in the aforesaid areas are enclosed herewith for your kind information and needful. In pursuance to our aforesaid information, our company is looking forward to provide us opportunities for accreditation of institutions and technical supports

Thanks & Regard's
